

## **ICC award for *Wholegrain Research*, sponsored by ICC-Austria**

In partnership with the **6<sup>th</sup> International Whole Grain Summit 2017**, **ICC-Austria** has decided to sponsor an ICC award for promotion of **two Young Scientists** who are presenting innovative or exceptional research work in the field of whole grain.

This support will be in the form of two awards each of **500 Euros**.

An **Independent Jury** will examine posters presented during the **6<sup>th</sup> International Whole Grain Summit** (Vienna – November 13-15, 2017).

### **Purpose**

This grant will be awarded to **two Young Scientists (students and/or postdoctoral researchers)** to promote and encourage scientific work in the field of whole grain food science or technology.

### **Composition of the Jury**

The Jury consists of key well-known independent researchers, as well as researchers from ICC-Austria. The final decision will be made by the Independent researchers.

### **Criteria of Selection**

The selection will be based on the originality and the scientific value of the research work, as well as the quality of presentation of the poster.

### **Process of Selection**

The Jury will examine the posters of the candidates during the summit and will select 2 winners.

### **Announcement of the Laureate**

The name of the recipients will be announced at the congress on

**Wednesday November 15, during 08.30 -10:00.**

The participation of the laureate is highly expected.

### **Payment of the award**

A transfer will be organised by ICC.
