

ICC award for *Wholegrain Research*, sponsored by Quaker

In partnership with the **6th International Whole Grain Summit 2017**, **Quaker Oats Company** has decided to sponsor an ICC award for promotion of **one Young Scientist** who is presenting innovative or exceptional work in the field of whole grain research.

This support will be in the form of an award of **1000 euros**.
An **Independent Jury** will examine posters presented during the 6th International Whole Grain Summit (Vienna – November 13-15, 2017).

Purpose

This grant will be awarded to **one Young Scientist (student and/or postdoctoral researcher)** to promote and encourage scientific work in the field of whole grain

Composition of the Jury

The Jury consists of key well-known independent researchers, as well as Researchers from Quaker Oats Company.

The final decision will be made by the Independent Researchers.

Criteria of Selection

The selection will be based on the originality, the scientific merit and the expected outcomes for the food industry of the research work, as well as the quality of presentation of the poster.

Process of Selection

The Jury will examine the posters of the candidates during the summit and will select 1 winner.

Announcement of the Laureate

The name of the recipient will be announced at the congress on **Wednesday November 15, during 08.30 -10:00**.

The participation of the laureate is highly expected.

Payment of the award

A transfer will be organised by ICC.
